

Travel Support Instructions

Event:

WSRD Workshop X: Security from a Wireless Spectrum Perspective

NCO/NITRD, Washington, DC

September 13, 2018

Who Can Apply?

Academics or non-profits may qualify for travel support to the workshop. Priority will be given to academics. If there are any funds remaining, they will be used to support non-academics. Travel support will be available from NSF, subject to the approval of the travel grant request.

Deadline to submit a request is October 1, 2018.

Categories of funding availability

- **Local attendees:** (local is defined as within 50 miles of the workshop venue) no funding available.
- **Non-local attendees, who are not driving:** \$700 (based on an estimate of \$200 for a 1-night hotel stay plus \$400 for a flight/train plus \$100 for per diem expenses)
- **Non-local attendees who are driving:** \$350 (based on an estimate of \$200 for a 1-night hotel stay plus \$50 for driving-related expenses plus \$100 for per diem expenses)

Confirmation of workshop attendance for entire day will be required. Sign-up sheets will be provided at the workshop site.

All travel support requests should be sent to noreend@winlab.rutgers.edu following the workshop on September 13th and no later than October 1, 2018.
