

Thoughts on Digital Repository Communities and Assessing Impact

Kim D. Pruitt

Director, Data Services Division

National Center for Biotechnology Information, NLM, NIH

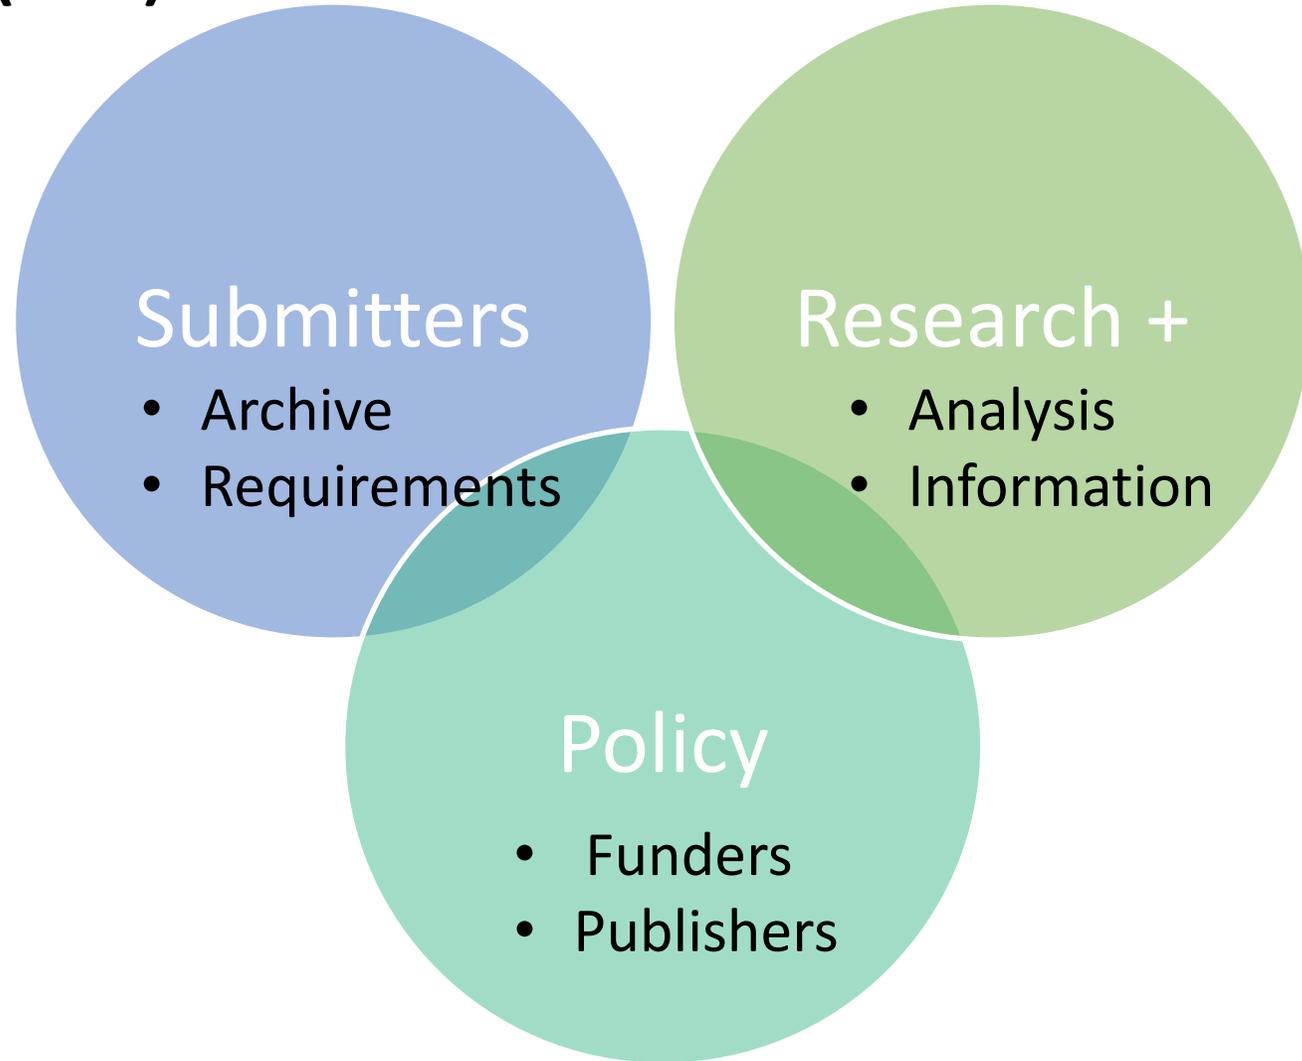

Measuring the Impact of Digital Repositories Workshop

February 28-March 1, 2017

Digital repository (DR) stakeholders

Authors
Researchers
Sequencing labs
Analysts
Clinicians
Educators
Patients
Lawyers
Publishers
Funders

DR Submitter needs

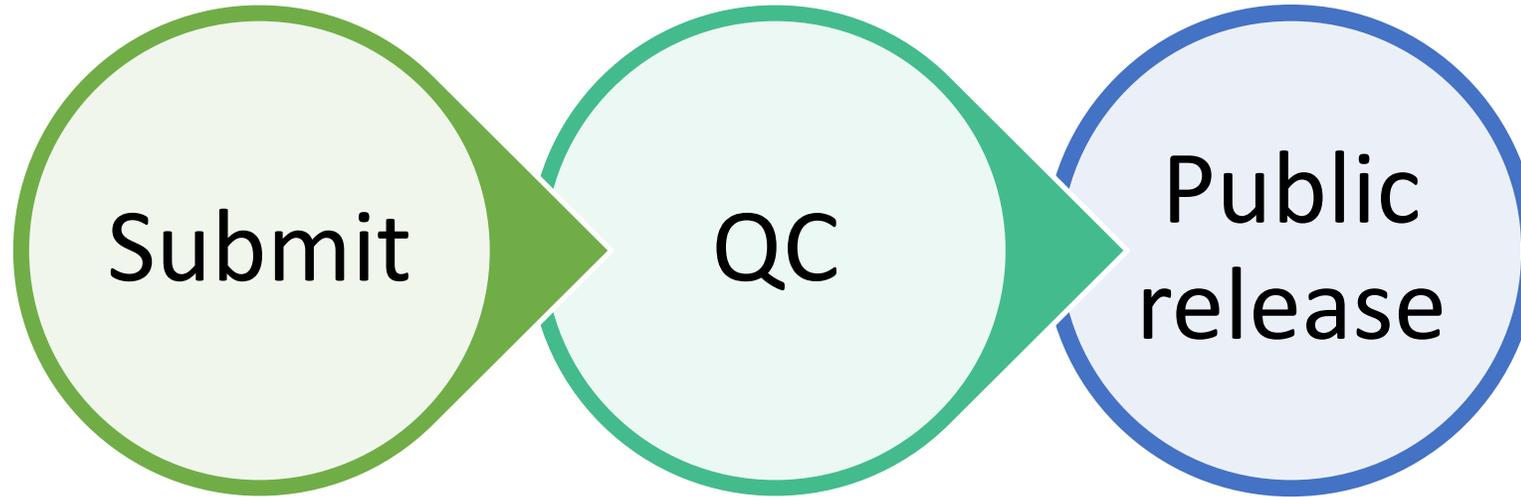

Easy

Fast

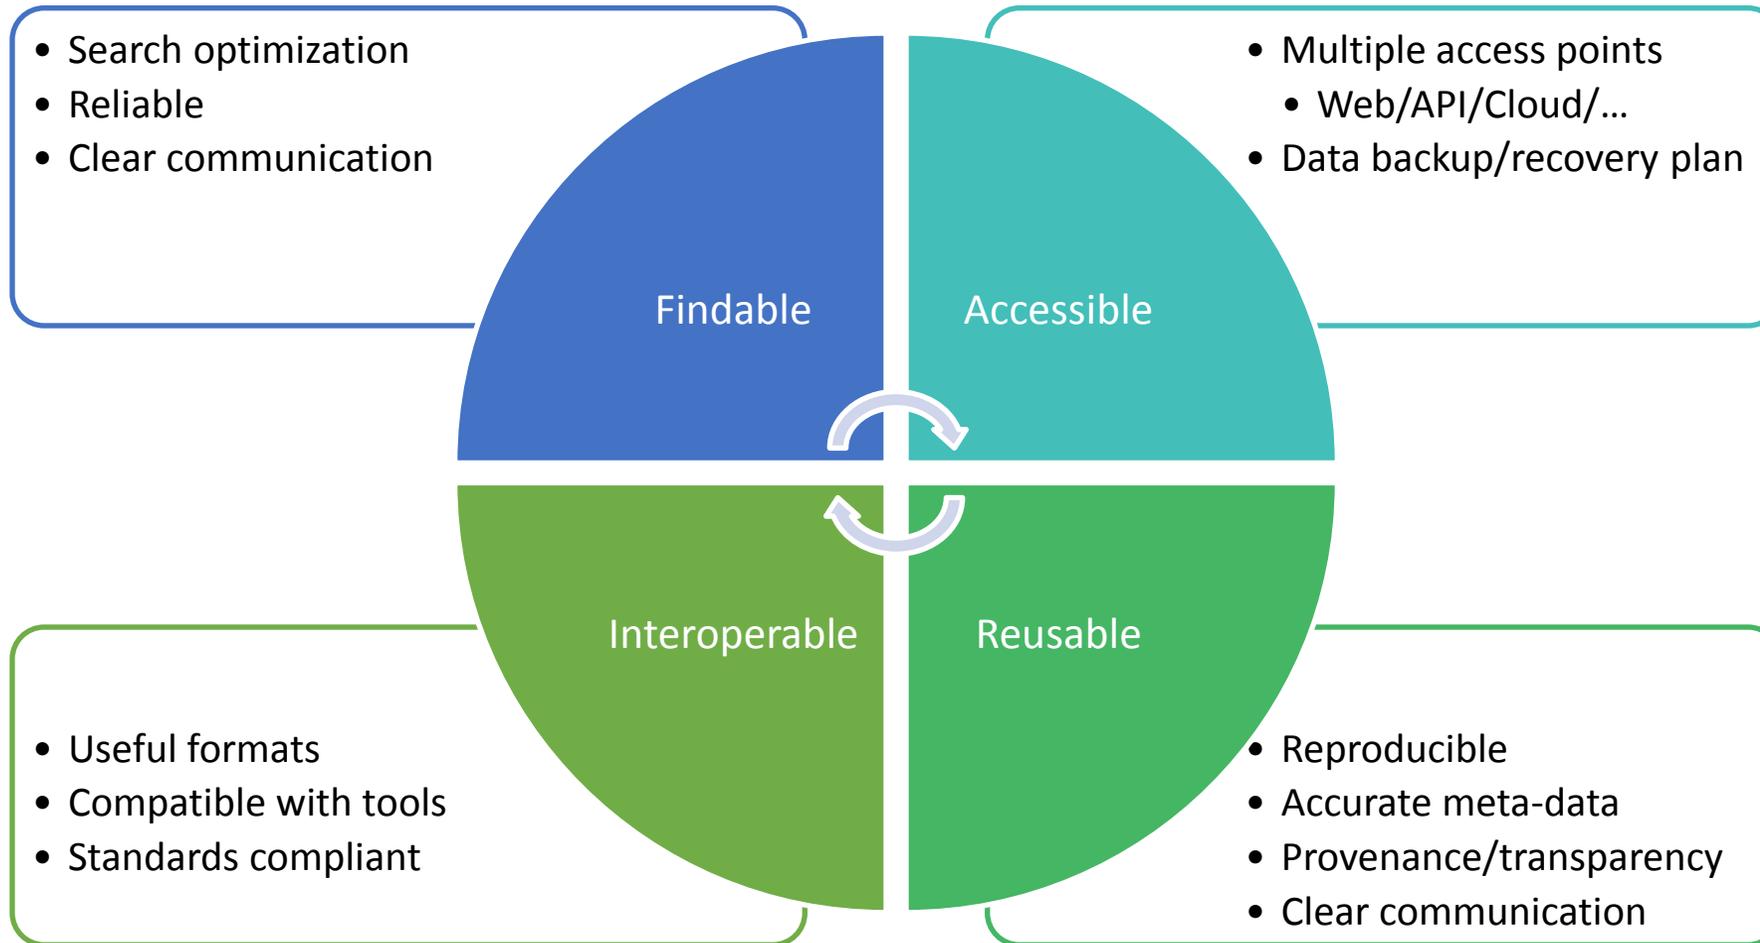

Clear communication

Data is accessible

Archive is trusted/reliable/backed up

DR – FAIR downstream user needs

Measuring the impact of DRs
